Ms. Vicki Genz, Director
The Sanctuary Mission, Inc.
7463 West Grover Cleveland Blvd.
Homosassa, FL 34446

Dear Ms. Genz:

Children's Home Society of Florida wholeheartedly supports The Sanctuary Mission, Inc.'s application to The State of Florida Office on Homelessness for funding from the Federal Emergency Shelter Grants Program.

The Mid-Florida Division of Children's Home Society of Florida provides child abuse and neglect prevention, intervention and adoption services to nearly 6,700 children and family members in 18 counties, including Citrus and Sumter counties.

Every day, Children's Home Society of Florida works with children and their families who are in need of a place to call home and a hand that cares. Services that can assist women, children, and families is a constant need in our area. Funding for this project would create a safe and supportive haven for people in need throughout the community.

Therefore, it is with high hopes that we submit this letter of support, knowing that this project will fulfill a great need in the community for mothers, children, and families that often find themselves with no one to turn to and struggling to make ends meet for their family.

Please contact me if you have any questions. Thank you.

Sincerely,

Jennifer Anchors, LCSW
Executive Director
