

# THE SANCTUARY MISSION, INC & GRACE HOUSE

The Sanctuary Mission & Grace House provides a safe living environment with recovery-focused programming that gives an opportunity to have a positive transformational culture for learning new life behaviors.

## The Girls of Grace House

I don't even know where to start with this beautiful group of girls. To name a few there is Jasmine, Michelle, Rena and Jenny. Everyone in the house has an important role, anywhere from being kitchen manager, peer mentor, or accountability peer. The journey that they are on, whether its their first time in the Grace House or their second, it is a team effort. On their journey, there are different phases for the girls to complete to help them get prepared to live life outside of the Grace House. They all have stories to tell, and what brought them together is truly an act of God. They are thankful for the opportunity to meet new people and the support that they have given each other.

*God is within her, she will not fail*  
-Psalm 46:5

## DONATIONS ARE WELCOMED.

### Mission Statement

Our vision is to provide a safe place where people find freedom from addiction and/or life-controlling issues through the power of Jesus Christ.

### The Sanctuary

#### Testimonials

PM - I did 40 years in prison for a lifetime of crime. I've believed in God and considered myself a Christian, yet battled my addiction on my own because I didn't believe I had one. I'm grateful to Sanctuary Mission for taking me in and teaching me the recovery process. I have new hope for my future now.

ZE - I grew up without my dad and I really needed a strong leader in my life. Mom worked a lot to support my sisters and me I got into a gang, did some time and struggled with addiction. I'm proud to be surrounded by strong support and now an opportunity to begin a new life with God and a strong support system I can trust.

## NEEDED ITEMS AT THE SANCTUARY!
